

Makeup and Hair : Make up and Styling List & Rates:

- Makeup: Individual prices range from \$450.00-\$1200.00.

The cost depends on celebrity status, experience & the number of shots plus the length of shoot. Most artists apply make up and

do hair. They stay on set through the entire shoot. It is not advised for the artist to apply make up and leave or for you to get your make up done and come to the shoot. So confirm your artist will come to your shoot and the prices at the same time of booking.

- Commercial day rates for makeup and hair artist vary from \$850.00- \$1500.00 of more. This would refer to published and or advertising rates
- Usually services are booked by a flat fee. Upon booking.
